# ANKIT **MANDIAL**

UI/UX Designer | Graphic Designer

WHO I AM !

I am a passionate UI/UX and Graphic Designer with over 6 months of experience creating intuitive, user-centered designs. Proficient in Figma, Photoshop, and Adobe Illustrator, I specialize in crafting visually compelling interfaces and seamless user experiences. I thrive on transforming ideas into aesthetically pleasing, functional designs that engage users and solve real-world problems. With a keen eye for detail and a focus on usability, I am eager to contribute my creative skills to projects that drive user satisfaction and business success.

SOFTWARES: Figma | Ps | Ai | Canva

OBJECTIVE

As a passionate and innovative UI/UX and Graphic Designer, I am driven to create visually compelling and user-centric designs that leave a lasting impact. With a strong command of Figma, Photoshop, and Adobe Illustrator, I thrive on transforming complex ideas into sleek, intuitive interfaces that enhance user engagement. My goal is to join a forward-thinking team where I can push creative boundaries, deliver exceptional design solutions, and help shape memorable brand experiences that resonate with users.

PROJECTS

- Designed multiple projects for white-labeled companies.
- Worked with Calix Labs on multiple projects, contributing to design and branding.
- Created branding materials including logos, social media graphics, and advertisements.
- Developed wireframes and prototypes for website redesign projects.

EDUCATION

2021 TO 2024 — **Bachelor Degree**

H P U | S H I M L A

The BBA program at HPU equipped me with a solid foundation in business principles, management strategies, and effective communication. It helped me develop critical thinking skills and a practical understanding of business operations, which I apply to my design work today.

2024 TO 2025 — **Training Program**

A U S P I C I O U S S O F T W A R E P R I V A T E L T D.

During my 6-month training at Auspicious Software, I gained comprehensive knowledge of editing software, which laid the foundation for my current work. This hands-on experience allowed me to master essential tools and techniques that I now use daily in my design and UI/UX projects.

SKILLS

Skill	Level
PHOTOSHOP	98%
